Interested in Putting Together a Team of Walkers? Here are some tips...

- Register online at <http://matthew25.cloudaccess.net>
- Ask your friends and co-workers to join your team
- Each participant may pick up collection envelopes at ARG or Matthew 25
- Set a goal for your team and for each individual
 - Goals should be reasonable and manageable, e.g. \$100 each walker, 10 sponsors at \$10 each.
 - Use a fundraising letter to encourage donations (sample on registration website)
 - Hold fundraising activities to raise money, e.g. bake sale, car wash, garage sale, collect money using donation banks, etc.
- Encourage competition among your teammates to see who raises the most money
- Awards will be given to the team and the individual that raise the most money for the walk this year.
